GERMAN LOGISTICS CONCERNS DUE TO G20 SUMMIT – FIRST WEEK JULY

On 7 and 8 July 2017, the G20 Summit will take place in Hamburg, where Heads of State and Government of major industrialised and emerging economies will meet.

Considerable traffic obstructions/delays/jams are expected in the week from July 3rd to July 9th 2017. It is anticipated that the summit will also affect the port area and its operations. Several political groups have announced activities and demonstrations with the intent to disrupt the port operations.

SCT Germany are being as proactive as possible to ensure our logistics process are managed as well as we can under the circumstances and will keep all clients updated on any concerns as they unfold over this period.

We thank you for your continued support and partnership
