DURBAN PORT DELAY – PROTEST ON BAYHEAD AND LANGBERG ROAD

We have received notification from SAAFF that Bayhead road and Langerburg have been closed by truck owners as they are protesting the long waiting to load and offload at Durban port. These roads are the main entrances to the port and surrounding depots.

SCT are monitoring the situation closely but we do expect delays in securing cargo from the port as a result of the protest.

We thank you for your continued support and partnership
