## **SA & UK Conclude 'no-deal Brexit' Trade Agreement**

The Department of Trade & Industry has announced a deal which will effectively allow trade between the United Kingdom and South Africa, Lesotho, Namibia, Mozambique & Swaziland to continue as it stands once the United Kingdom leaves the European Union.

The current agreement regulates health & safety regulations, tariff agreements, quotas and rules of origin. Once signed, the new agreement, known as the SACUM-UK Economic Partnership Agreement, will ensure that trade can continue seamlessly between the nations even after the United Kingdom is no longer a part of the European Union.

We thank you for your continued support and partnership
