Please note that no relevant tariff amendments have been published today.

2. Update: Truck Drivers Strike

As you have no doubt seen in the news, the truck drivers strike is continuing and growing ever more violent. Striking workers are threatening foreign drivers as well as the companies who employ them.

3. Upcoming Far East Holidays

Please make a note of the following holidays in China. It is expected that all companies in the country will be closed during this time.

13 September: Mid-Autumn Festival

1 – 7 October: Golden Week

There will be delays in moving cargo over this period, please make sure to plan accordingly and advise us of any shipments due to move during this time so that we can plan accordingly.

4. Update: Transnet Situation

The attached letters from Transnet refer.

Bayhead Road is severely congested. This is mainly due to operational issues at Transnet, the truck drivers strike and the inclement weather. While management at the port are working on the issue we do expect that this will cause further congestion and delays.

We thank you for your continued support and partnership
