**Important: Office Closures in China Extended due to Coronavirus Outbreak**

Please note that formal details are unclear at this point, but we have received notifications from several of our partners in China that offices are going to remain closed for an extended period as the Chinese Government restricts movement in an effort to contain the outbreak.

Should you receive any formal notification from your suppliers please let us know as this may impact your cargo movement.

As information becomes available we will update all of our clients accordingly.

We thank you for your continued support and partnership
