Dear Clients

It has been brought to our attention that the above indemnity is still being called for from some lines and in their opinion required under Level 4 COVID-19 lockdown conditions for the movement of every single load. It may be necessary to secure this from you and if required Rishi will call for the same so please keep the master attached on record for easy access and respond quickly if requested by our team, reverting to (ops@sctsolutions.co.za) when required. We appreciate the added administration this creates but compliance is essential if we are to avoid unnecessary delays, police inspections or penalties.
