Please note that there has been a dramatic increase in the theft of cargo arriving at O.R. Thambo International, with sought after items such as PPE being targeted. As mentioned in previous Newsflashes, the airport is in a state of chaos with cargo being misplaced and drivers having to wait hours in queues to collect cargo once it is located.

The increase in thefts is cause for serious concerns and we would like to remind our clients to ensure that all of your cargo is correctly and comprehensively insured. Should you have any queries or concerns regarding this please don't hesitate to contact us at any time.
