Government Gazette Published 25 March 2020

Please note the attached Government Gazette detailing the terms of the lockdown.

Though it contains a large amount of pertinent information, we would like to in particular draw your attention to Annexure B on Page 8 which details the goods and services officially classified as Essential.

Additionally, Annexure C contains a 'Permit to Perform Essential Service' for persons legally allowed to travel for work during this period.

We continue to await confirmation as to how containers which do not carry essential goods will be handled during this time.
