Chinese Golden Week

Please note that Chinese Golden Week and the Mid-Autumn Festival will be celebrated from Thursday the 1st to Thursday the 8th of October this year. As with previous years we expect that some companies will take additional bridging days and only reopen on Monday the 12th of October. Please bear this in mind when planning your orders as there will be delays caused by this, should any airfreights be planned around this time please alert our team to them as early as possible so that we can assist our partners in China with their planning.
